Resolving social conflicts : selected papers on group dynamics / by Kurt Lewin ; edited by Gertrude ...

In Resolving Social Conflicts, Lewin's writings reflect the applied psychologist—his practical interests in the nature and causes of social conflicts and his search for techniques in preventing and resolving them. New York: Harper and Brothers, 1948. In this paper we discussed a research project which explored the potential in using a purpose-built social-networked environment to support learning in undergraduate education.

Resolving Social Conflicts and Field Theory in Social Science

The network incorporated a people-centric paradigm that integrated networking across a range of collaborative tools to support course activities.
