Debate Issue: THW not punish people under the poverty line that commit economical crimes

If we let convicts off without punishing them, it is not only unjust for the rest of the criminals, but will also encourage a higher crime rate, as it does not deter the criminal from doing it again. There are a wide range of punishments, such as jail terms and fines, and many of them take up time and money.

Once she had secured victory in the May 1979 general election, she made it clear she would be cutting benefits and squeezing public services. This finding has subsequently been confirmed by numerous other studies see.

Did the poor get richer under Thatcher?

This provocative book is the counter-manifesto to neoliberal penality, a must-read for all students of criminal justice and citizenship.

Debate Issue: THW not punish people under the poverty line that commit economical crimes

What certainly did happen in the 1980s was that the proceeds of growth were distributed far more lavishly to the rich than to the poor. You can also visit g.

Margaret Thatcher's policies hit the poor hardest

Finally, Part III will show how welfare programs can be reformed for constitutional compliance. Duke University School of Law, J. But that's hard to do for low-wage workers who frequently don't get paid vacation or sick days, or any sort of flexibility in their schedules.
