### “La battaglia di Legnano“ di Verdi su Rai5

Among them stands a document compiled by two anonymous chroniclers Gesta Federici I imperatoris in Lombardy. Instead of crossing the Alps from the usual Brenner, guarded by the League, the emperor had passed from thanks to the support of Count. Milano, Cremona, Bergamo e Mantova considerarono la richiesta della nomina da parte regia dei podestà come inconciliabile con le libertà comunali riconosciute dai precedenti imperatori e si opposero con fermezza: fu l'inizio di una lunga serie di lotte, che si protrasse fino al 1183 anno in cui venne firmata la pace di Costanza e che contò ben quattro discese di Federico Barbarossa in Italia.

### La batalla de Legnano

Furthermore, the Italian territories of the Holy Roman Empire were distinctly different from the Germanic ones in socioeconomic and cultural aspects, and were not sympathetic to imperial power wielded by an authority of German lineage.

### La Battaglia di Legnano

La vittoria alla battaglia di Legnano non tenne unite a lungo le città della Lega. Meanwhile, some avant-gardes of the Lombard League army stationed in Legnano, formed by 700 knights, broke away from the main army and searched the territory between Borsano and Busto Arsizio.

### **La Battaglia di Legnano e il Palio delle contrade**

Federico I Barbarossa, da una miniatura del 1188. La descrizione dei cronisti lo presenta come un carro a quattro ruote, trainato da tre coppie di buoi e rinforzato sulle fiancate con piastre di ferro. *Scriptores rerum Germanicarum in usum scholarum*! Hannover, Hahn 1892, p.
