A îmbogățit și reînnoit conținutul și metodele învățământului primar, fiind considerat întemeietorul școlii populare. Although he always spoke most reverently of the and of, he never attained to a clear recognition of the Divinity of, but remained outside dogmatic. To perfect the perception got by the Anschauung the thing that must be named, an appropriate action must follow.

### Johann Heinrich Pestalozzi

A new translation by Michel Soëtard should, hopefully, appear in the near future.

All his undertakings failures, and yet he is the most influential of modern educators. How is it different from a belief? They should be free to pursue their own interests and draw their own conclusions Darling 1994: 18. Pestalozzi then opened a in the Castle of Burgdorf, and there laboured from 1799 to 1804, though hampered by jealousies and misunderstandings.

His aim was for a complete theory of education that would lead to a practical way of bringing happiness to humankind. Some of his principles involved contradictions, not a few of his methods were one-sided and even unsound; but his, stripped of their eccentricities by his disciples, became prominent features in modern. There was nothing attractive in his external appearance.
