Virtually all of them expressed the same concern—that any major shift toward paid digital content would trigger a backlash from the local distributors that support the home-delivery network. Independent media group providing quality reports on Central Asia and Middle East.

Japan's Newspaper Industry: Calm Before the Storm

The book is divided into two parts, with the first part showing the changes in television programming over 50 years from the early days of television to the present. The focus of the Graphic magazine is on the trends of graphic design, but not the mainstream ones. Print focuses on broad perspectives on visual culture today, covering everything from publication design to interactive work, motion graphics, corporate branding, exhibitions, illustration, and socially conscious design.
