Plus, integrating writing within social studies also helps teachers meet the recommendation by the What Works Clearinghouse that children, beginning in first grade, spend 30 minutes each day practicing and applying their writing skills beyond the 30 minutes spent during writing workshop learning new writing strategies Graham et al. Linda Hoyt, Margaret Mooney, and Brenda Parkes offer some solutions.

The Role of Informational Text in Early Literacy Instruction

Explore the possibilities in this book. The Sun is playing with a ball on a soft cloud. All of these genres exist beyond classroom walls, which means that Mr.

Exploring and creating texts

Thanks for your suggestion, Jennifer.

Exploring Informational Texts: From Theory to Practice by Vanessa E. Chang

You all did a good job reading. Children must encounter more informational text in the primary grades! I would like to see the correlations to other content areas. First published by Scholastic Australia, a division of Scholastic Australia Pty Limited, 2009.
