The Return of the King

CAUTION - Do not purchase this book based on the first of the 10,160 ratings which pop up under this title. I have attached many pictures that I hope help you decide if this is an edition you want to buy.

The Return of the King Being the Third Part of The Lord of the Rings

This was the second, no, the third night since he had looked in the Stone. O texto também incorpora a revisão feita para o aniversário de 50 anos da obra, em 2005, na qual muitos erros editoriais das versões anteriores foram corrigidos. Torches and flares glowed dully here and there in the fog.

But leave your trowels and sharpen your swords! There will never be another Lord of the Rings film, and that's a bit depressing. I got the Kindle version because I think it's based on the 1990s edition which has a few less typos than my hard copy books I got in the mid 1970s. There were many memorable scenes one of my favourites including the part with the giant spider that made this the classic that it is sure to stay for decades to come.

The Return of the King (The Lord of the Rings, Part 3): Tolkien, J.R.R.: 9780345339737: styleguide.expo.io: Books

The original publisher split the work into three volumes, publishing the fifth and sixth books with the appendices into the final volume with the title The Return of the King.

The Return of the King Being the Third Part of The Lord of the Rings

The cover and back designs are beautiful, and the spine is a beauty to look at. In ancient times the Rings of Power were crafted by the Elvensmiths, and Sauron, the Dark Lord, forged the One Ring, filling it with his own power so that he could rule all others.

The Return of the King (The Lord of the Rings, Part 3): Tolkien, J.R.R.: 9780345339737: styleguide.expo.io: Books

In summary, might suit if you want a single volume hardcover edition and are not bothered by fairly small print or the lack of additional illustrations. At its furthest point from the Great Gate of the City, north-eastward, the wall was four leagues distant, and there from a frowning bank it overlooked the long flats beside the river, and men had made it high and strong; for at that point, upon a walled causeway, the road came in from the fords and bridges of Osgiliath and passed through a guarded gate between embattled towers. One Ring to bring them all and in the darkness bind them In the Land of Mordor where the Shadows lie.

styleguide.expo.io: The Return of the King: Being the Third Part of The Lord of the Rings (9780358380252): Tolkien, J.R.R.: Books

The last thing that he remembered before he fell into deep dream was a glimpse of high white peaks, glimmering like floating isles above the clouds as they caught the light of the westering moon.

The Return of the King Being the Third Part of The Lord of the Rings

The text has been emended in consultation with Christopher Tolkien to reflect his father's original wishes which were apparently sometimes overridden by the publishers! Whatever betide, you have come to the end of the Gondor that you have known. We wish for no strangers in the land at this time, unless they be mighty men of arms in whose faith and help we can trust.
