### Sound Royalties

Her fans followed this with an outpouring of love and support.

### BIMM

From January 1994 to December 1995, Stedeford, Brescia and other members of the ARA under the command of it's two leaders, Richard Guthrie and Peter Langan carried out a string of heavily armed and well-coordinated bank robberies in the Midwestern states of Iowa, Missouri, Ohio, Nebraska, Kansas and Kentucky. The LimeWire interface appeared on a large screen.

### Inside The Competitive Business Of Music For Film Trailers

The idea of experiential marketing has also taken hold. Some in the industry say that consolidation has meant that labels are too focused on the bottom line and quarterly results, and fail to adequately nurture and develop artistic talent.

### Inside the booming business of background music

According to the RIAA, only 10 percent of albums ever achieve profitability. At BIMM, we open the doors to the music industry. We provide industry-led courses, unparalleled opportunities, world-class tutors and a creative community across eight campuses in three countries.

### This is how COVID

Tape recording cartridges are developed in 1930, but tapes remain largely behind the scenes during the Depression and into the 1950s.

### After 40 years in the music industry, Lanier faces new challenge

Label 56 also released an official public statement condemning Page's violent rampage.

### Sound Royalties

By the late 1970s, music sales slide, and the record companies begin an industry-wide campaign to curb home taping.

### **Inside the Week That Shattered the Concert Business**

The Walkman revolution coincides with improvement in cassette sound quality and the cassette tape suddenly became the only format that you could have in your home, in your car, and in your pocket.
