Arthashastra

However, royal statutes and officials regulated private economic activities, some economic activity was the monopoly of the state, and a superintendent oversaw that both private and state owned enterprises followed the same regulations.

Neglected and decaying, the original 'Arthashastra' may soon be lost forever

Shamashastri transcribed the Arthashastra onto fresh palm leaves and published it in 1909.

Arthasastra

Scholars disagree on how to interpret the document. The goals of the secret service, in Arthashastra, was to test the integrity of government officials, spy on cartels and population for conspiracy, to monitor hostile kingdoms suspected of preparing for war or in war against the state, to check spying and propaganda wars by hostile states, to destabilize enemy states, to get rid of troublesome powerful people who could not be challenged openly.

Kauṭilya and the Arthaśāstra: A Statistical Investigation of the Authorship and Evolution of the Text. Other scholars such as Burton Stein concur with Thapar and Sastri, however, Bhargava states that given Kautilya was the prime minister, one must expect that he implemented the ideas in the book.

Arthashastra

Numerous translations and interpretations of the text have been published since then.

Arthashastra

As one plucks one ripe fruit after another from a garden, so should the king from his kingdom.
