ghegas vassilis

Sanguinaria is another useful remedy in acne, especially in women with scanty menses and irregular circulation of blood. Their cruelty may emerge in fights or as aggression toward weaker or undefended siblings or animals.

Dr Med Vassilis Ghegas

In most cases we see some history of violence on the part of the patient, but they do not admit this easily. Shah has been associated with the setting up of various Educational institutions in the country and abroad, most notably Hahnemann College of Homeopathy in London that offers a Post-Graduate course in Homeopathy.
