## Disparities in school readiness - how families contribute to transitions into school

Lawrence Erlbaum - Disparities in School Readiness: How Families Contribute to Transitions Into ...

Effect on child-young person/family/

Transition has an impact not only on the child/young person but also his/her family

Families experience joys and anxieties during their child's transitions

They should also be provided support
 to deal with the

transition themselves

to be actively involved in making the transition
