Finally, don't forget that magic doesn't contradict or replace science.

Ritual (2002)

The origin approach The earliest approach was an attempt to explain ritual, as well as , by means of a theory concerned with historical origin. I'm not saying that out of morality, just out of pragmatism.

We mentioned the answer to a question on their FAQ page regarding when they may start to feel results. It seems that they are hedging their bets that women consumers are more interested in having a better feel for where the ingredients come from and receive validation as to what they need, rather than obtaining some exotic health boost, etc.
