Gloucestershire Volunteer Artillery

Need to know A trip onboard the GWR is certainly not just for train spotters! Storm Dennis drenched and battered Gloucestershire for a second day with weather warnings for wind and rain in force for much of the day.

Steam train through the Cotswolds

Are you updating your Corporate Social Responsibly? Outdoors, is home to an assault course and adventure playground that's sure to delight youngsters, while kids can hunt for mythical creatures on its dragon trail. Copyright © 2013 Suzannah Lipscomb. Gloucestershire businesses have an opportunity to showcase their employment settings as part of a Workplace Experience or an Apprenticeship scheme, We want those who are searching for employment to have an opportunity to experience and perform in the workplace and gain first-hand experience of the opportunities and work life in Gloucestershire.

Cricket Artist Dr. Sen with Chinmoy Roy

To exaggerate his manliness, his clothes have evidently been stuffed. Posted: December 9, 2013 Author: Filed under: Tags: , , , , , , , , I went on the Steve Yabsley show on BBC Radio Bristol today to talk about my book Gunner Royal Artillery that I am re launching on Friday 13th December at The Coach and Horses pub, Highland square, Clifton, Bristol, BS8 2YB, Just off Blackboy Hill at 7. The bell tower showed me such a sight That in my head sticks day and night.

Gloucestershire

Elizabeth of York, meanwhile, is depicted in a late sixteenth-century copy of the original holding the white rose of the House of York, and looking every inch like a queen on a playing card.

Steam into the New Year on the GWSR

It was produced for Sir Henry Lee, her Master of Ordnance, and was designed to flatter, with Elizabeth standing astride the globe as a symbol of the sun. All of our books will be on sale on the evening.

Dramatic videos show hair

The pub will be offering food from 1800 -2100. Lipscomb avoids becoming an architectural or archaeological guide while pointing out ruins worth a look--e. Between 4,700 and 4,400 years ago, a new bell-shaped pottery style spread across western and central Europe, and this period is called the 'Bell Beaker'.

Steam train through the Cotswolds

The Dean Forest Railway — based near Lydney in Gloucestershire — provides the sight, sounds and smells of travel on a rural branch line from a bygone era.

Gloucestershire Volunteer Artillery

And my eight year old grandson. Did ancient Britons commit human sacrifice in Gloucestershire? The sessions are based on helping families to express themselves creatively and artistically and how cancer is affecting them as a family.
