Lenin

But, despite the comfortable circumstances of their upbringing, all five of the Ulyanov children who reached maturity joined the revolutionary movement. This concise and unique biography is based on wide-ranging new research that puts Lenin into the context both of Russian society and of the international socialist movement of the early twentieth century.

However, Lih reveals that underneath the sharp polemics, Lenin was actually a romantic enthusiast rather than a sour pragmatist, one who imposed meaning on the whirlwind of events going on around him.

Vladimir Lenin

Not only in the scholarly circles of the former but even among many non-Communist scholars, he has been regarded as both the greatest revolutionary leader and revolutionary statesman in history, as well as the greatest revolutionary thinker since Marx. Vladimir Ilich Ulyanov was born in Simbirsk, which was renamed Ulyanovsk in his honour.
