### 2008 Annual Report

As of 2019, Nanjing subway has 10 lines and 174 stations, with a total length of 378 kilometers and an average daily passenger flow.

# Chinese numismatic charm

Set the time and set the assignment. The Chinese government subjects religion to a strict regulatory framework that represses many forms of religious and spiritual activities protected under international human rights law, including in treaties China has signed or ratified. They are usually depicted next to images of linzhi mushrooms.
