Église de l'Annonciation, Sudbury, Ontario, Canada

Biographies of the Sudbury region Sudbury, 1980, 71. Le projet est assorti de conditions qui sont acceptées par les deux communautés. En avril 1919, des rumeurs commencent à circuler à l'effet que M gr Scollard veut faire construire la nouvelle église à même le terrain de l'église Sainte-Anne.

Biography

Lefebvre remained four years at Sudbury, a community which had been started in 1883 with the construction of the Canadian Pacific Railway but which had become a mining and lumbering town after construction ended in 1885. Blind River, Elliot Lake, Espanola, Massey, Spanish -- v. We acknowledge the financial support of the Canadian Museum of History through the Online Works of Reference Program funded by the Government of Canada.

Biography
