Poems about Identity

Therefore, I AM—I have not decided. In , Jesus engages in a conversation with a Samaritan woman.

First They Came For The Communists by Martin Niemoller

Toni Morrison stamped the very idea of a great American novel with her own brand of storytelling and on her own terms. Whether you are experiencing the loss of your own mother or speaking at the funeral for the mother of a loved one, these beautiful words will help you navigate through this troubling time. An arsonist destroyed my home.

I Am Not Yours

Someone tells a person something in confidence. Also, as a reader of poetry, I would rather focus my limited time on writers who other readers generally find accessible, rather than on writers who most others find inaccessible. I work, eat, sleep, repeat.

Frida Kahlo 'If I Have to Say It ... I Do Not Want It Anymore'

Kathryn comments that she believes ego should be removed from poems — there are poems where doing that can make the poem more effective, and there are poems where doing that can make the poem less effective.
