The California Department of Public Health has also updated the about youth and adult sports. And this group avoids contact with anyone not in their group. This guidance enables schools to provide specialized services for students with disabilities and English learners, and in-person support for at-risk and high-need students.

Guidances

From 22 February, early learning and childcare returns full time for all children below school age. To minimise the risk of spread of coronavirus it is crucial that we all avoid unnecessary travel.

Guidance on the Essential Critical Infrastructure Workforce

You can only meet people from another household outdoors and in indoor public spaces for certain reasons, such as for work, to join your extended household, for sport, exercise, or to provide care and support for a vulnerable person. Outdoor non-contact sports such as golf and tennis are permitted for all age groups provided this is within a single household group, or the group contains no more than 2 people from 2 different households.
