The Incubus (1981)

The latest chapter earmarked a handful of firsts.

Incubus (band)

The American rockers Incubus announced their 2020 summer tour featuring 311 and Badflower in celebration of their new EP entitled Trust Fall. It picked up a timeless thread from a different angle. There were not eyes to speak of, but chasms that saw into its dark depths.

Urban Dictionary: Incubus

What Is An Incubus: Everything You Need To Know

Waiting in line outside on a cold December night before the show, I thought we were going Nowhere Fast and I could only think about The Warmth. Incubus toured worldwide in 2004 with many bands, including,,,, and, to promote their new album after their original support act pulled out due to exhaustion. They began touring once more with in Europe from June until the first week of July.

What is a succubus? What is an incubus?

Worldwide, Incubus has sold over 19 million albums.
