Seven day tour of Scotland

What kind of real book fanatic could do that unless they were on the verge of starvation or something? Oh well, this book was not meant to be so grounded in reality, so let's move on, shall we? The United Kingdom is home to some of the most charming villages in the world — vibrant communities dotted along the coastline, rural country villages crammed with cosy pubs and cobbled streets, and remote gems with much more to see than their small size suggests. We are interested and associated, but not absorbed.

A short introduction to the history of Scotland
