Kenichi has also hinted at the possibility of Honoka being better than Akisame in the game. Honoka is also extremely talented in the game Othello, which she often plays with Apachai and Tanimoto. The male characters on the other hand are just plain awful.

#### Shinokuni

History Kozaburo forged the swords and , which were classified as O Wazamono. She has a bit of a mischievous side, often following her brother to the dojo that he trains at, despite him telling her not to, and trying to make him come home.

#### Blaze Release: Honoikazuchi

Preserving his memories and knowledge from his previous life, Rudeus quickly adapts to his new environment. He then claimed that two peaceful countries already wanted to purchase Shinokuni due to seeing the potential, and poured the gas onto his underlings as an exhibition for his criminal underworld spectators. Art and sound The art is on point in a lot of ways.

The story follows Rudeus, as he gets more used to this new world he is in, but also developing himself as well. They also don't mind showing off their excitement, which surprised me at first, but it's pretty funny seeing it for first time.

# Blaze Release: Honoikazuchi That is of course after being forced out of his home. She even broke into his room and tends to annoy him because she likes being with him.
