Odessa Golf

We spent a wonderful month in this country and. Enjoying dinner on the beach while looking out at this view, is there anything better? And that means that day and night are linked in a way that few things are.

Properties List

This green looks like it slopes from back to front, but putts relatively flat. Going for this green in two will allow the best chance at birdie for an approach third shot will be coming from a hanging downhill lie making it tough to stop the ball on a green that runs from front to back. A water hazard guards the right side.

Sunset Country Resorts and Lodges

This day is made to raise awareness of the importance and value of youth to our society.
