Kokichi told Shuichi that he made a wise decision before requesting the detective to give him back the Exisal hangar's alarm remote back, a request that he reluctantly complied to for Kaito's own safety. Kaito reassured everyone that there's no way the funeral could be real considering they were still alive and well. As this print on demand book is reprinted from a very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible.
