Extremist Files

He said he had discussed the issue with FBI Director Christopher Wray.

Decoding the extremist symbols and groups at the Capitol Hill insurrection

Its adoption was criticized by the ADL, which said it had an anti-Semitic use seeking to keep the US out of World War II. Now run by the VDARE Foundation, the site is a place where relatively intellectually inclined leaders of the anti-immigrant movement share their opinions. The ministry teaches that Judgment Day will arrive in the form of a sanctified race war, a theory widely popular with.

Extremist Files

Recent articles in its main product, The Social Contract, have propagated the myth that Latino activists want to occupy and 'reclaim' the American Southwest, argued that no Muslim immigrants should be allowed into the U. NSC, apparently a word play on the National Socialists or Nazi party, is a neo-Nazi group that has regional chapters in both the United States and across the globe,. The certification of the election results proved to be exactly the type of event that brought together various groups and could have led to radical ideas being shared, they say.

Local and national media outlets are citing anti

The Vital Center: The Politics of Freedom. America First flag A rioter cloaks himself in an America First flag with the logo of the podcast by farright commentator Nick Fuentes.
