Maria Theresa

Since specific new features have been developed in MariaDB, the developers decided that a major version number change was necessary.

Maria (Danish singer)

At the age of six she started singing and flute lessons. Disclaimer: Some links in posts are affiliate links. The current supported versions are: 10.

Maria College

Upon her accession, the 1740—48 erupted, challenging her inheritance of the lands. MySQL is named after his other daughter, My. She received her practical training as an actress touring in the Russian provinces.

MariaDB

From January 2015 to September 2018, Otto Kekäläinen was the CEO of the MariaDB Foundation.

Afterwards, she ended up studying acting in New York, and doing other ventures such as voiceover work, and writing for other artists such as Mikkel Solnado's album It's Only Love, Give It Away.

Maria (2019)

MariaDB intended to maintain high compatibility with MySQL, ensuring a drop-in replacement capability with library binary parity and exact matching with MySQL and commands. In 1922 she was appointed government inspector of schools in Italy, but left the country in 1934 because of the Fascist rule. It reached Pop 100 chart.
