A hero like this is not just found in modern society today, but in mythology as well.

Not Quite a Hero: [Essay Example], 439 words Grades Fixer

It was hard to say whether he was a good man or not. Whatever it was, it had left him scarred in ways that were hard to heal. She checked the rest of the building and found one, two, three, four pens loaded with wood and bones.

Not Quite a Hero, short story by ArthurD7000

The angles of the walls were odd and the doorframes tilted to one side. Dana kept screaming, the monster kept howling, and Jayden cried out in surprise as he was dragged behind it. You ran from it when a stranger appeared and defeated the beast.
