Rue McClanahan plays Blanche, a man-hunting Southern Belle. She took to writing her lines on props which she could glance at easily, like the wicker purse which Sophia always carried with her.

#### Golden Girl

Upon Charlie's death, she moved to Miami.

### 'The Golden Girls' Blackface Joke Wasn't Blackface

The show's creator actually wanted actress to play the role, but Grant turned it down. However, after only 26 episodes, the series was eventually discontinued after the end of the first season after receiving generally bad reviews and following dropping ratings. Retrieved July 28, 2020 — via YouTube.

## The Golden Girls (TV Series 1985

These women are the DEFINITION of friendship goals. You have a lot of table reads where the actors will mess it up because they don't understand what the characters are doing, or they misinterpret.
