Team — TruDataRx

Jenna Lyall is TruDataRx's Vice President of Business Development. From analyzing revenue cycle breakdowns to building demand projections for service line and facility planning to developing organizational strategic plans for the world's preeminent health companies, he has gained a 360 degree view of the healthcare industry and is focused on creating an ecosystem in which real value is delivered to patients and clinicians.

What Does The Name Truda Mean?

Lindsey analyzes claims data for opportunities to optimize pharmacy spend, communicates clinical information to clients to promote informed decision making, and assists with program implementation.

What Does The Name Truda Mean?

Prior to joining TruDataRx Jason spent the entirety of his career in management consulting, most recently at growth strategy and innovation firm Innosight. I do not know how you feel about it, but you were a female in your last earthly incarnation. Matt is focused on making healthcare a more care-centric organizational system, starting with the patient and employer.

Team — TruDataRx

Teresa reviews claims data for opportunities to optimize pharmacy spend, assists with program implementation, and communicates clinical information to clients to promote informed decision making. Prior to founding TruDataRx, Catalina was the founding COO of Informulary, Inc, a company committed to improving health by providing doctors and patients with the information they need to make wise decisions about prescription drugs, and also held positions at Dartmouth College as the Program Manager of innovations in translation and new initiatives at the Dartmouth Center for Healthcare Delivery Science.
