## The Who

A companion to The Beatles: Eight Days A Week - The Touring Years, Academy Award®-winner Ron Howard's authorized and highly anticipated documentary feature film about the band's early career, The Beatles: Live At The Hollywood Bowl will be released worldwide on CD and for digital download and streaming on September 9, followed by a 180-gram gatefold vinyl LP on November 18. I am the editor and publisher.

## Buy Bruce Springsteen & The E Street Band

The Who performed the Odyssey Arena in Belfast on 21st June 2015 and they were outstanding.

## Live in Hyde Park (Red Hot Chili Peppers album)

The film was overseen by Grammy and Emmy Award-winning producer and editor Thom Zimny and Chris Hilson; both members of Springsteen's video team dating back over a decade. # Tapestry: Live in Hyde Park (CD/DVD)

The film conveys not only the magnitude of a vast festival crowd of 50,000 people, but also the unique chance to witness the intimate on-stage interaction between Bruce Springsteen and the E Street Band, as viewers are able to witness Springsteen spontaneously directing the evolution of the live show, as only he can! As part of the tour that celebrated The Rolling Stones' 50th anniversary celebrations, a new Hyde Park concert was scheduled in 2013, supported by , , and The 65,000 tickets were sold out in three minutes. Will be surprised if any of these sets shift 10k units. That is clearly what I stated.

#### Live in Hyde Park

The lineup features some of the finest musicians in Australia, including members from Mr.

## **Spinner**

Eagle Rock's documents the June 26, 2015 show, presenting it as audio and video DVD or Blu-ray according to your preference and the band sounds older but surprisingly vigorous. Loved Naked Eye on the Shea Stadium concert that was released this year for example.

. While these 3 albums were a largely instrumental blend of experimental tango and spaghetti western scores and everything in between , the new album is more song-based, featuring vocalist Elana Stone on 9 out of its 14 tracks. While The Beatles: Live At The Hollywood Bowl references the long out of print 1977 album, it is an entirely new release, directly sourced from the original three track tapes of the concerts.
