How Health Care Providers Use Electronic Medical Records

Symbols and abbreviations will be used in the patient record only when they have been approved by the Medical Record Committee with the concurrence of the Clinical Executive Board and the Chief of Staff.

Full Form of DHCP

There are modules to track customer complaints, track volunteer hours, motor vehicles, library holdings, and much more. Kathy Tong EHR Intelligence April 19, 2013 One of the earliest EHR pioneers was the U. It is essential that all persons who have access to patient record information in the performance of their duties be informed of their duties and responsibilities in maintaining the confidentiality of privileged information.

Surgical Systems
