Studying the Internet Through the Ages Barry Wellman.

The Oxford Handbook of Internet Studies

The Oxford Handbook of Internet Studies has been designed to provide a valuable resource for academics and students in this area, bringing together leading scholarly perspectives on how the Internet has been studied and how the research agenda should be pursued in the future. Until recently, Internet gambling has been understudied by the research community, but now a growing body of literature is emerging, on all aspects of Internet gambling and its attendant implications. With a focus on methodological instruction, this volume offers both a retrospective and prospective view of the field.

The Handbook of Internet Studies : Mia Consalvo : 9781444314861

It has been seen as both a positive and negative force, although abuses under the Third Reich and during the Cold War have caused the term to stand in, most recently, as a synonym for untruth and brazen manipulation.
