Tales from Shakespeare Designed for the Use of Young People by Lamb Charles

She was 8 years older than he was. To put it into perspective, the Oxford English Dictionary has credited Shakespeare with introducing almost 3,000 words to the English language.

TALES FROM SHAKESPEARE. Designed for the use of Young People by LAMB. CHARLES.; Dalziel Brothers. Illustrate

Lord falls for the nice cousin, Prince helps. . Assemble them into a storyboard that covers the whole play.

Tales from Shakespeare: Designed for the Use of Young People, by Charl

The flaws are as follows: Some minor scuffs to the boards and spine, some damage to the spine, the front endpaper is missing, some heavy tanning to the pages and some rips to the back endpaper.

Food From the Age of Shakespeare

What is it about this 16th-century play that has had such a lasting impression on readers and audiences? Two Gentlemen of Verona Mary Lamb 7.

30 Shakespeare Activities and Printables for the Classroom

Nobody knows how his last name was spelled. Oh how I loathe them. His plays are performed more often than any other playwright.
