What happens on a snow day? Practical ideas to help pupils with special educational needs improve their reading and writing skills Literacy forms a fundamental part of communicating ideas and can be difficult for students with SEN to master. Just general worksheets around the key religions in the UK. In the senior school it is hoped that in the future pupils will be involved in activities to help them develop greater links with schools in Uganda and Afghanistan.

Improving the teaching of pupils with special educational needs

Others may spend the bulk of their time in dedicated special services environments, with specialized physical, developmental, and learning supports.
