The Hacker Ethic And The Spirit Of The Information Age : Pekka Himanen : Free Download, Borrow, and Streaming : Internet Archive

In 1984, when Assange turned 13, Steven Levy described this attitude in his book Hackers. Both the excellences and the defects of that attitude were momentous for the future.

styleguide.expo.io: The Hacker Ethic and the Spirit of the New Economy: A Radical Approach to the Philosophy of Business (Audible Audio Edition): Pekka Himanen, Linus Torvalds, Manuel Castells, Oliver Wyman, Random House Audio: Audible Audiobooks

Such a code within the hacker community fosters the advance of hacking and software development. The Hacker Ethic could be similarly seen as fashing the Information Age.

The Hacker Ethic and the Spirit of the New Economy by Pekka Himanen, Linus Torvalds, Manuel Castells

Man is dominated by the making of money, by acquisition as the ultimate purpose of his life.

The Protestant Ethic and the Spirit of Capitalism: Chapter 1

The Protestant ethic reoriented ideology so thoroughly that it even turned Heaven and Hell upside down. The magnificent energy which changed in a century the face of material civilization was to draw nourishment from that temper. But although we use a label coined by computer hackers to express this attitude, it is important to note that we could talk about it even without any reference to computer people.

The Protestant Ethic and the Spirit of Capitalism Quotes by Max Weber

But, immense as were its accomplishments in that inner world, of which politics are but the squalid scaffolding, were mightier still. There were times when I never wanted to stop. The move of the Open Source initiative to bring Free Software closer to capitalism shows that: a there is a gap between the Free Software movement and capitalism; b without a significant institutional intervention and re-interpretation that gap can not be overcome; c more than practice since practice of Open Source doesn't differ that much , it is the founding documents, principles that Richard

Stallman stands by so fiercely that are the bite that capitalism can not subsume, swallow in its original form.

Stallman stands by so fiercely that are the bite that capitalism can not subsume, swallow in its original form.
